Financial Policy

1. Payment is due in full at the time of your visit unless prior financial arrangements have been made.
2. We accept cash, check, Visa, MasterCard, Discover, American Express, and debit cards. We also accept and offer outside financing through Care Credit.
3. Returned checks are subject to a \$30.00 fee and all future payments thereafter will need to be made in cash.

Insurance

We file dental insurance as a courtesy to all of our patients. If we have received all of your insurance information before the day of your appointment, we will be happy to file your claim for you. Your insurance policy is a contract between you and your insurance company. We are not responsible for how your insurance company handles its claims or for what benefits they pay on a claim. We can only assist you in estimating your portion of the cost of treatment; we at no time guarantee what your insurance company will or will not pay on each claim. You are fully responsible for the charges incurred at each appointment regardless of what your insurance company pays on a specific procedure.

Secondary Insurance

Our office will no longer file ANY secondary insurance other than the Ameritas Core Dental Plan. If you require a claim form, please ask and we can print a blank ADA form for you. We will answer any questions you may have about completing the claim form. If your secondary insurance mails the payment to our office instead of you, legally we can only refund to you the amount YOU have paid to our office –not the amount the insurance company may send. Secondary insurance should coordinate benefits and pay you based upon what the primary insurance has paid –never more.

Billing

We send account statements out monthly for any remaining balances after all insurance claims have been paid. After 30 days, unpaid balances are subject to a 1.25% monthly interest fee with a minimum \$1.50 service charge. Any account that has not received payment in 90 days will be turned over to our collections agency that will pursue the responsible party for reimbursement. This will negatively impact your credit history and limit the treatment you can receive at our office. Unpaid balances are subject to collection costs, including court costs and attorney fees.

An appointment is considered missed if:

2. The patient is more than 10 minutes late for a scheduled appointment without a phone call made to our office.
3. The patient calls to cancel an appointment without giving 24 hour notice.
